## DETECT-ALL SECURITY

*"Your Security Is Our Business!"*

Many people today have come to realize the importance of having their home or business protected with not only just a good lock on the front door, but with an approved alarm system guarding and monitoring their residence with the utmost of reliability for only pennies a day. During these times, home burglaries are on the increase and senior citizens can be especially vulnerable, therefore, home and business owners should give serious thought to the security of their property, themselves and their possessions.

The company to see in this area is **Detect-All Security**, family owned and operated, serving Clermont County and surrounding areas. They install and carry top quality security systems for homes and businesses. Their experience in the alarm field has taught them just exactly what type of system is best suited for each individual need. They also provide fire alarms, entry access systems, security cameras and medical alert systems. In addition, they offer 24 hour monitoring and service.

Call **Detect-All Security** at **513-528-7700** today for free estimates on your alarm needs with no obligation or visit [www.detect-allsecurity.com](http://www.detect-allsecurity.com).

## DODDS MONUMENTS

*Over 150 Years Of Service*

Monuments are personal chapters in the history of time. At **Dodds Monuments**, they have one of the area's largest and most beautifully displayed selections of monuments and markers suitable for most any budget. With three Cincinnati locations to serve you: **Lebanon, 932-5876; Middletown, 422-5331 and Milford, 248-2124**, these professional representatives have served this area for over 150 years with the highest quality products.

There are many advantages to pre-arrangement services. Choosing a monument in advance of the actual time of need is just as important as securing your gravesite. As prices continue to rise, purchasing your monument ahead of time will save you and your family a future expense. Richly rewarding is the spiritual harvest of a life well lived. Let these professionals express this with one of their custom designed monuments. The pre-planning of your monument is one of the most thoughtful and courteous tasks a passed loved one can provide their loved survivors with.

Remember, don't let the gravesite of your loved one go unmarked. Stop by or call the location nearest you today or visit [www.doddsmonuments.com](http://www.doddsmonuments.com).

## FAMILY DENTAL CARE \* EASTGATE DENTAL CARE

*Jan Labeda, D.D.S., & Bartosz Labeda, D.D.S.*

With today's emphasis on preventing dental problems before they start, there are many advantages in seeing a dentist on a regular basis. Being treated by the same dentist each visit establishes a good relationship where your dentist is familiar with you and can best help you to prevent decay or other dental problems. At the dental practice of Dr. Jan Labeda and Dr. Bartosz Labeda, their orientation towards preventive dentistry helps you maintain good dental health. From regular check-ups, cleanings and fillings to cosmetic (Invisalign) and implant dentistry, the advantages of this practice mean personalized, individual attention. The doctors strive to keep up with all of the latest advances in dentistry. They are continually updating their dental education as well as utilizing the newest techniques. They also meet and exceed all sterilization requirements. New patients are always welcome and the doctor gives all new and existing patients a complete comprehensive exam.

Knowing and seeing your dentist regularly will help you maintain DENTAL HEALTH FOR A LIFETIME! ## VISITING ANGELS

### America's Choice In Homecare

People, both young and old, may find themselves in situations when assistance with daily living is required. Traditionally, this help has been provided by family members, but as lifestyles have changed, family members alone are not always able to provide this assistance. In response to this need, **Visiting Angels** provides affordable, dependable and personalized in-home care. Caregivers provide personal care, transportation, run errands, prepare meals, do light housework, and assist with personal hygiene and laundry. By offering services for up to 24 hours, 7 days a week, **Visiting Angels**, serving Clermont County, provides non-medical in-home care and companionship to clients who are elderly, disabled or convalescent, allowing them to maintain independence in the privacy of their own home. The employed caregivers and companions are subjected to the most comprehensive screening process. They are bonded and fully insured. They possess the genuine desire to help people, and are patient and understanding. **Visiting Angels** is considered by many as the premiere homecare service in the area.

## MORGAN ASPHALT MAINTENANCE

### Locally Owned & Operated

Asphalt paving repair and maintenance is essential to local communities. Whether you are a local resident using a parking lot or a business owner who maintains it, we all know what a hassle damaged pavement can be. Unmaintained asphalt on streets, driveways and parking lots can cause damage to vehicles and leave a bad impression. For durable, precise, professional paving and sealcoating, most construction experts have for many years, come to know and rely on **Morgan Asphalt Maintenance**. They have been providing everyone from homeowners to sub-division developer's prompt, professional jobs regardless of the difficulty of the contract. From asphalt paving, sealcoating, parking lot striping, asphalt crack and pothole repair, all work performed by **Morgan Asphalt Maintenance** meets or exceeds exacting specifications set down by local officials. Before one ounce of asphalt is applied, the surface is "load designed" for many years of rugged use and the best possible drainage is allowed. They only use top quality materials and equipment and all work is guaranteed.

Remember, asphalt sealcoating, repair and pavement preservation are crucial to extending its lifespan and the key to keeping an attractive looking and structurally sound parking lot or driveway. It is the best and most cost efficient way to avoid expensive future repairs.
